CONDITIONS	<ul style="list-style-type: none"> • All airtime rate plans are subject to monthly system access fees and taxes. • PSTN calls made to an Iridium Phone are billed to the calling party by their long distance provider. Rates may vary. Incoming call costs can be reduced by subscribing to Infosat’s 1-800 Iridium Calling Service in the USA and Canada. • Calls are rounded to the nearest minute or KB where applicable. • Calls made to other global satellite networks from Iridium ISUs are billed at \$14.95/min. • An Infosat SIM Card is required for rates to be effective. Phone numbers are linked to SIM CARD, not handset. • Suspension services are available at a rate of \$50.00 per month. Any suspension time will be added to the contract. • CRTC Levy will be charged at 1.5% of usage. • Radio Spectrum Access fee will be charged at \$4.00 per unit per month. • HST, PST, GST are applicable and charged based on your location. • All rates are subject to government fee rate changes and can change without notice.
