## SPOT GEN4

SPOT Gen4 gives you a critical, life-saving line of communication when you travel beyond the boundaries of reliable cellular service. SPOT Gen4 lets family, friends, and colleagues know you are OK, or if the unexpected should happen, sends your GPS location to emergency responders all with the push of a button. Add this rugged, pocket-sized device to your essential gear and stay connected wherever you play or work.

## Enhanced TRACKING FEATURES

### CUSTOM TRACKING RATE

Select from available tracking intervals of 2½, 5, 10, 30, or 60 minutes and share your adventures in near real-time via the SPOT Mapping Shared View.

### CONTINUOUS TRACKING

SPOT Gen4 will send tracks at your chosen interval for as long as your device is turned on.

### MOTION-ACTIVATED TRACKING

SPOT Gen4 continuously tracks your location while in motion. Vibration sensors tell SPOT Gen4 to stop sending track messages only when you stop moving helping conserve battery life.

## DEVICE Features

### S.O.S.

In an emergency, send an S.O.S. with your GPS location to GEOS, who facilitates search and rescue.

### CHECK IN

Let contacts know where you are and that you're okay with a pre-programmed message.

### TRACK

Automatically send and save your location and allow contacts to track your progress using cloud-based mapping.

### CUSTOM MESSAGE

Let contacts know where you are by sending a pre-programmed message with your GPS location.

### HELP/SPOT S.O.V.

Request help from your friends and family at your GPS Location or ask for help from professional assistance organizations.

Actual Size

**"I'M GLAD I HAD IT.  
I USE IT EVERY DAY.  
I CAN'T THINK OF A  
BETTER DEVICE."**
