### POSTPAID PLAN CONDITIONS

- \* Go! 5 Data allowance does not apply to voice calls, all voice calls made with this plan will be charged at standard rates
- \*\* Go! Unlimited plan allows for a maximum of 150 minutes of voice calling before standard rates apply
- Use of Iridium GO! plans on non-Iridium GO! devices are charged at standard rates
- Postpaid Infosat Iridium SIM card required for activation (\$60 Standard)
- All airtime rate plans are subject to monthly system access fees and taxes.
- PSTN calls made to an Iridium Phone are billed to the calling party by their long distance provider. Rates may vary. Incoming call costs can be reduced by subscribing to Infosat's 1-800 Iridium Calling Service in the USA and Canada.
- Calls are rounded to the nearest minute or KB where applicable.
- Calls made to other global satellite networks from Iridium ISUs are billed at \$14.95/minute.
- An Infosat SIM card is required for rates to be effective. Phone numbers are linked to SIM card, not handset.
- CRTC Levy will be charged at 1.5% of usage.

### PREPAID PLAN CONDITIONS

- Voicemail is included.
- Cards must be replenished prior to expiration date in order to retain unused minute.
- Cards may be replenished after expiry within 270 days to retain Iridium phone number. Unused minutes will be lost.
- Cards that are not replenished after expiry within 270 days of their expiration can no longer be used.
- Costs of all replenishments are equal to initial cost unless otherwise specified.
- Unused minutes that have been accumulated can be rolled over for a maximum of 36 months.

Private and Confidential. For Internal Use.
